MORE THAN JUST INSURANCE COVERAGE

A smart solution for families who have more to protect

At PURE, insurance is about more than just the things we protect. It's about our members. It's about making them smarter about risk. It's about helping them reduce their chances of experiencing a claim. And it's about making them more resilient so that if a claim does happen, they can recover faster and with greater ease.

PURE is a member-owned property and casualty insurer designed exclusively for financially successful families and driven by a purpose of doing what is right for them.

A smarter model that saves you money

PURE was built on a simple idea: the most responsible owners of the finest built homes deserve to pay less without sacrificing quality of service.

PURE's unique membership model encourages us to focus on what's right for our membership.

We carefully select those who are least likely to have claims, helping us deliver on our commitment to pass underwriting profits on to you as savings.

Insurance designed for you

Insuring high net worth individuals is all we do, and it's all we've ever done. This focus has allowed us to craft specialized insurance solutions designed specifically for our members.

Generous coverage for your unique assets. Whether for Homeowners, Condo/Co-op, Automobile, Watercraft, Collections, Personal Excess Liability, Flood or Fraud and Cyber Fraud coverage, our policies are broad and flexible, allowing you to tailor coverage to meet your needs.

Smart pricing that rewards responsibility. We aim to charge the right price—one that represents your true risk of loss—not the highest price, which often results in significant savings.

100,000 MEMBERS AND GROWING

Our membership is made up of more than 100,000 responsible, successful individuals and families who trust PURE to insure the things they love.

A service experience to make your life easier

We understand your time is valuable, so our services are designed to minimize the demands of insurance on you.

PURE Member Advocates®. These dedicated professionals are your reliable and compassionate partner throughout your membership. They'll connect you with our risk management services to help prevent loss. At the time of a claim, they'll take on the administrative tasks, like finding rental cars or alternative housing, and provide you with a single point of contact. After your claim is closed, they'll help you take steps to prevent a similar loss from happening again.

A proactive approach to risk management. We are committed to helping you avoid loss and protect the things that matter most. This begins with a PURE360® Risk Management Consultation, a detailed inspection conducted by one of our expert Risk Managers, to provide an accurate valuation of your property, identify risks unique to your home and make recommendations on how you can better protect it. Your PURE Risk Manager will also help you implement this advice by coordinating vendors and scheduling appointments.

A seamless claims response. While we do everything in our power to help you prevent loss, claims do happen. Your dedicated claims professional will work directly with you to deliver a straightforward claims experience with speed, professionalism and compassion. From the moment you call to report your claim, you'll speak to a licensed claims adjuster—not a call center representative—so you'll only tell your story once and begin the settlement process immediately. And your Member Advocate will be with you every step of the way.

95% *We are proud to have a highly engaged and enthusiastic membership, which has resulted in a 95% member retention rate and a world-class Net Promoter Score (NPS®) of 59.*
