Use of Annual Mileage in Rating Disclosure - New York

11/13/2023

Re: PA119184000

Dear PURE Member:

PURE is pleased to provide coverage according to the price and terms stated on the Declarations Page of your policy. The purpose of this notice is to share some important information with you about how your automobile policy is rated.

Instead of using vehicle usage (ex. Pleasure, Drive to Work, Business etc) as a rating consideration, we now use Estimated Annual Mileage as a rating consideration for each private passenger type automobile.

The Estimated Annual Mileage used to rate your private passenger type automobile(s) was determined by the collection of information through thousands of sources, including state and local government records and other industry sources, which determined your automobile's Estimated Annual Mileage. The Estimated Annual Mileage we obtained is shown on your Declarations Page and in part determines the premiums you pay for the following coverages, Liability (bodily injury and property damage or combined single limit), Personal Injury Protection (PIP), Collision, Other Than Collision and Optional Basic Economic Loss (OBEL). The higher the range for your vehicle's Estimated Annual Mileage, the higher the premiums for the aforementioned coverages. Please note, if we cannot obtain an Estimated Annual Mileage for any of your vehicles, your broker will provide one or we may assign a default value.

Please review the Estimated Annual Mileage shown on your Declarations for each of your private passenger type automobiles. If you do not feel any of the assigned Estimated Annual Mileage accurately represents the usage of a specific vehicle, please contact your broker or us at **1-888-813-7873** so we may possibility adjust your Policy accordingly.

Thank you for your continued membership of PURE.

Sincerely,

A handwritten signature in black ink that reads "Gil Wasserman". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

- **Foreign agents;**
- **Front organizations;**
- **Terrorists;**
- **Terrorist organizations; and**
- **Narcotics traffickers;**

as "Specially Designated Nationals and Blocked Persons". This list can be located on the United States Treasury's web site – <http://www.treas.gov/ofac>.

Rating Information – New York

Page 1

Your auto has been rated as indicated on the policy declarations page. The information on the following pages explains the components of our rating plan, and can help you determine how we rated each auto you insure with us. We established the rate based on statements made by or on behalf of you.

This rating plan is one of the components we use in developing your premiums for the following coverages: Bodily Injury and Property Damage Liability (or Single Limit Liability), Personal Injury Protection, Medical Payments, Other than Collision, and Collision.

A. Household Averaging

A Household Averaging Factor has been applied to each auto you insure with us. The Household Averaging Factor is determined by adding up all the Driver Factors in your household and dividing by the number of drivers in your household. If the number of drivers in your household is less than the number of autos in your household, the Household Averaging Factor is determined by adding up all the Driver Factors in your household and all the Default Driver Factors and dividing by the number of drivers in your household.

Each Driver Factor assigned to each driver in your household is determined as follows:

Primary Use Class Factor X Secondary Use Class Factor

1. Primary Use Class Factor

The Primary Use Class Factor for each driver in your household is determined by multiplying all of the factors for the following:

- a.** Primary Use Class – based on age, marital status and gender;
- b.** Good Student Discount;
- c.** Driver Training Discount;
- d.** Occasional Operator Discount;
- e.** Away at School Discount;
- f.** Inexperienced Operator Surcharge; and
- g.** Accident Prevention Discount.

2. Secondary Use Class Factor

The Secondary Use Class Factor for each driver in your household is determined by multiplying all of the factors for the following:

- a.** Product of all claim and violation factors; and

- b. Multiple claim and violation factor.

However, the Secondary Use Class Factor cannot exceed 3.00 for each applicable coverage.

B. Descriptions of Household Averaging Factors

1. Primary Use Class Factor

- a. Primary Use Class – The following drivers tend to have higher factors:

- (1) Younger drivers;
- (2) Single drivers; and
- (3) Male drivers.

- b. Good Student Discount;

A 10% discount applies if the driver:

- (1) Is age 24 or younger; and
- (2) Is a full-time high school, home school, college, or university student, or is a student enrolled full-time in a vocational technical school; and
- (3) Maintains a “B” average (or its equivalent)

- c. Driver Training Discount;

A 10% discount applies if the driver:

- (1) Is age 21 or younger; and

- (2)** The Occasional Operator Discount is not also applied to the driver.

f. Inexperienced Operator Surcharge;

A surcharge applies if an operator has 3 or less years of driving experience. Please refer to the New York Premium Discount and Surcharge Notice attached to your Policy for the specific Inexperienced Operator Surcharge that may apply to your insured vehicles.

g. Accident Prevention Discount.

- (2) The auto is classified and rated as a private passenger auto;
- (3) The discount shall be effective upon issuance of a course completion certificate to the insured and shall be calculated from the date of course completion;
- (4) The discount shall apply for a three-year period from the date the discount is first applied; and
- (5) A discount applied during a policy period shall be prorated over the term of the policy.

Exceptions

- (1) If you present the course completion certificate to us within 45 days prior to the renewal of the policy, the discount will be applied on the first day of the new policy period.
- (2) If you do not present the course completion certificate to us within 90 days after completion of the course, we will apply the premium discount from the date you present the course completion certificate instead of from the date of course completion.

2. Secondary Use Class Factor

The Secondary Use Class Factor is determined using past experience, accidents and convictions. Those drivers that have no accidents and convictions receive the lowest premiums. Higher premiums are charged for other drivers based upon the number of accidents and convictions they have accumulated during the “experience period”.

The “experience period” shall be the three years ending on the last day of the fourth month preceding the month in which the policy is effective.

a. Convictions

Secondary Use Class Factors are applied during the experience period for motor vehicle violations of all resident operators.

- (c) Homicide or assault arising out of the use or operation of a motor vehicle or criminal negligence in the use or operation of a motor vehicle resulting in the injury or death of another person.
- (d) Operating a motor vehicle insured under the policy without a valid license in effect, except when the person convicted had possessed a valid license which had expired and was subsequently renewed, or during a period of revocation or suspension thereof, or in violation of the limitations applicable to a license issued pursuant to article twenty-one or article twenty-one-a of the vehicle and traffic law.
- (e) Operating a motor vehicle in excess of the speed limit, or in a reckless manner, where injury or death results therefrom.
- (f) A racing violation.
- (g) Speeding greater than 15 miles per hour over the speed limit.
- (h) Any other moving violation where a premium surcharge is allowed under New York law.

Please refer to the New York Premium Discount and Surcharge Notice attached to your Policy for the specific premium impact of the above convictions.

b. Accidents

Secondary Use Class Factors are assigned for each accident that occurred during the experience period, involving the applicant or any current resident operator, while operating an auto.

Surcharge factors applies for each at-fault auto accident that results in:

- (1) Bodily injury, or death; or
- (2) Total damage to all property including his or her own in excess of \$2,000.

Please refer to the New York Premium Discount and Surcharge Notice attached to your Policy for the specific premium impact of any accidents.

This surcharge exception does not apply if the accident is determined to have been caused by the intentional action or gross negligence of the insured.

For purposes of this rule only, the term "gross negligence" shall not mean the insured's failure to refuse to drive or operate a vehicle which has a defective condition that is known to the insured, provided the insured has reported such defective condition to the insured's immediate supervisor or employer.

C. Refund Of Surcharged Premium

If a Secondary Use Class Factor has been assigned in accordance with one of the following situations, we shall refund to you the increased portion of the premium generated by the point. All such refunds shall be the portion of the premium due to the surcharge for all policy periods since the inception of the surcharge.

1. If the surcharge is assigned for an accident and it is later determined that the accident falls under one of the exceptions listed above, or
2. If the surcharge is assigned for a conviction and the conviction is ultimately reversed, or
3. If the surcharge is assigned through mistake, misinformation, carelessness or other error, or
4. If the insurer has established a reserve but no claim was submitted for a period of three years after the date of the incident, or the statute of limitations has run out and no suit has been filed.

15. Loss to a "collector auto" caused by any repairing, renovating or refinishing process unless the process results in a fire or explosion. We will only pay for the damage caused by the fire or explosion.

LIMIT OF LIABILITY

A. Our limit of liability for loss will be the lesser of the:

1. The Agreed Value stated in the Declarations or, for any auto without an Agreed Value stated in the Declarations, the actual cash value of the stolen or damaged property;
2. Amount necessary to repair or replace the property with other property of like kind and quality without application of depreciation; or

However, our payment will be reduced by any amount paid for a previous loss to the same vehicle if the prior damage has not been repaired.

B. Any applicable deductible shown in the Declarations will reduce our payment for loss. In the event of a Total Loss, no deductible will apply. An auto will be considered a Total Loss when:

1. The costs of labor and parts to repair the auto plus the salvage value are greater than or equal to the Agreed Value;
2. The entire auto is stolen, not recovered and we offer to settle the loss; or

NO BENEFIT TO BAILEE

This insurance shall not directly or indirectly benefit any carrier or other bailee for hire.

However, any insurance we provide with respect to a "non-owned auto" shall be excess over any other collectible source of recovery including, but not limited to:

1. Any coverage provided by the owner of the "non-owned auto";
2. Any other applicable physical damage insurance;
3. Any other source of recovery applicable to the loss.

APPRAISAL

A. If we and you do not agree on the amount of loss, either may demand an appraisal of the loss. In this event, each party will select a competent and impartial appraiser. The two appraisers will select an umpire. The appraisers will state separately the actual cash value and the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

2. Bear the expenses of the appraisal and umpire equally.

B. We do not waive any of our rights under this policy by agreeing to an appraisal.

The following provision is added:

- E.** Failure to give notice to us as required under this policy within the time specified shall not invalidate any claim made by the insured, injured person or any other claimant, unless the failure to provide timely notice has prejudiced us. However, no claim made by the insured, injured person or other claimant will be invalidated if it shall be shown not to have been reasonably possible to give such timely notice and that notice was given as soon as was reasonably possible thereafter.

VII. PART F – GENERAL PROVISIONS

Part **F** is amended as follows:

- A.** The following is added to the **Fraud** Provision:

FRAUD

However, we will provide coverage to such "insured" for damages sustained by any person who has not made fraudulent statements or engaged in fraudulent conduct if such damages result from an accident which is otherwise covered under this policy.

- B.** The **Legal Action Against Us** Provision is replaced by the following:

LEGAL ACTION AGAINST US

- A.** No legal action may be brought against us until there has been full compliance with all the terms of this policy. In addition, under Part **A**, no legal action may be brought against us until:
 - 1.** We, by written agreement with the "insured" and the claimant, agree that the "insured" has an obligation to pay; or
 - 2.** The amount of that obligation has been finally determined by judgment after trial.
- B.** No person or organization has any right under this policy to bring us into any action to determine the liability of an "insured".

Amendment of Private Fleet Automobile Provisions – New York

Page 9

- C. With respect to "bodily injury" claims, if we deny coverage or do not admit liability because an "insured", the injured person, someone acting for the injured person or other claimant fails to give us notice as soon as reasonably possible, then the injured person, someone acting for the injured person or other claimant may bring an action against us, provided the sole question is whether the denial of coverage or non-admission of liability is based on the failure to provide notice as soon as reasonably possible.

However, the injured person, someone acting for the injured person or other claimant may not bring an action if within 60 days after we deny coverage or do not admit liability, we or an "insured":

- (1) Brings an action to declare the rights of the parties under the policy; and
- (2) Names the injured person, someone acting for the injured person or other claimant as a party to the action.

- D. If we fail to pay damages for "bodily injury" or "property damage" for which the "insured" becomes legally responsible because of an auto accident within 30 days from the date notice of entry of judgment is served on the "insured" or the "insured's" attorney and us, then an action may be maintained against us for the amount of judgment, up to the limit of liability shown in the Declarations for which coverage is provided under this policy.

However, Paragraph (D.) does not apply during a stay or limited stay of execution against the "insured" on such judgment.

- C. The **Termination** Provision is replaced by the following:

CONDITIONS

1. **Policy Provisions.** None of the Insuring Agreements, Exclusions or Conditions of the policy shall apply to this UM coverage except “Duties After an Accident or Loss”; “Fraud”, and “Termination” if applicable.
2. **Premium.** If during the policy period the number of motor vehicles owned by the named insured or spouse and registered in New York or the number of New York dealer’s license plates or transporter plates issued to the named insured changes, the named insured shall notify us during the policy period of any change and the premium shall be adjusted as of the date of such change in accordance with the manuals in use by us. If the earned premium thus computed exceeds the advance premium paid, the named insured shall pay the excess to us; if less, we shall return to the named insured the unearned portion paid by such insured.
3. **Notice and Proof of Claim.** Within 90 days or as soon as practicable, the insured or other person making claim shall give us written notice of claim under this UM endorsement.

As soon as practicable after our written request, the insured or other person making any claim shall give us written proof of claim, under oath if required, including full particulars of the nature and extent of the injuries, treatment, and other details we need to determine the UM amount payable hereunder.

4. **Medical Reports.** The injured person shall submit to physical examinations by physicians we select when and as often as we may reasonably require. The insured, or in the event of the insured’s incapacity, such insured’s legal representative, or in the event of the insured’s death, the insured’s legal representative or the person or persons entitled to sue therefor, shall upon our request authorize us, when and as often as we may reasonably require, to obtain relevant medical reports and copies of records.

6. **UM Limit of Liability.** The UM limit payable under this UM endorsement shall be:

Page 5

- (a) The limit of our liability for all damages, including damages for care or loss of services, because of bodily injury sustained by one person as the result of any one accident is \$25,000 per person and, subject to this per person limit, the total limit of our liability for all damages, including damages for care or loss of services, because of bodily injury sustained by two or more persons as the result of any one accident is \$50,000.
 - (b) If the bodily injury results in death, the limit of our liability shall be \$50,000 for such bodily injury resulting in death sustained by one person as the result of any one accident and, subject to this limit for each person, \$100,000 for such bodily injury resulting in death sustained by two or more persons as the result of any one accident.
 - (c) Any amount payable under the terms of this UM endorsement, including amounts payable for care or loss of services, because of bodily injury sustained by one person, shall be reduced by;
 - (1) all sums paid to one or more insureds on account of such bodily injury by or on behalf of (a) the owner or operator of the uninsured motor vehicle and (b) any other person or persons jointly or severally liable together with such owner or operator for such bodily injury, and
 - (2) all sums paid to one or more insureds on account of bodily injury sustained in the same accident under any insurance or statutory benefit similar to that provided by this UM endorsement.
7. **Other Insurance.** With respect to bodily injury to an insured while occupying a motor vehicle not owned by the named insured, the coverage under this UM endorsement shall apply only as excess insurance over any other similar insurance available to such insured and applicable to such motor vehicle as primary insurance, and this UM endorsement shall then apply only in the amount by which the limit of liability for this coverage exceeds the applicable limit of liability of such other insurance.
- Except as provided in the foregoing paragraph, if there is other similar insurance available to the insured and applicable to the accident, the damages shall be deemed not to exceed the higher of the applicable limits of liability of this coverage and such other insurance, and we shall not be liable for a greater proportion of any loss to which this coverage applies than the limit of liability hereunder bears to the sum of the applicable limits of liability of this UM endorsement and such other insurance.
8. **Release or Advance.** In accidents involving the insured and one or more negligent parties, if such insured settles with any such party for the available limit of the motor vehicle bodily injury liability coverage of such party, release may be executed with such party after thirty calendar days actual written notice to us, unless within this time period we agree to advance such settlement amounts to the insured in return for the cooperation of the insured in our lawsuit on behalf of the insured.

Page 6

We shall have a right to the proceeds of any such lawsuit equal to the amount advanced to the insured and any additional amounts paid under this UM coverage. Any excess above those amounts shall be paid to the insured.

An insured shall not otherwise settle with any negligent party, without our written consent, such that our rights would be impaired.

9. **Non-Duplication.** This UM coverage shall not duplicate any of the following:
 - (a) Benefits payable under workers' compensation or other similar laws;
 - (b) Non-occupational disability benefits under article nine of the Workers' Compensation Law or other similar law;

 - (d) Any valid or collectible motor vehicle medical payments insurance; or
 - (e) Any amounts recovered as bodily injury damages from sources other than motor vehicle bodily injury insurance policies or bonds.
10. **Arbitration.** If we do not agree with the insured or the insured's representative making claim hereunder that the insured is legally entitled to recover damages from the owner or operator of an uninsured motor vehicle because of bodily injury to the insured, or do not agree as to the amount of payment which may be owing under this UM endorsement then, upon written demand of either the claimant or us, the matter or matters upon which we do not agree with such person shall be settled by arbitration in accordance with the rules and procedures of the American Arbitration Association prescribed or approved by the Superintendent of Financial Services for this purpose. Judgment upon the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. Such person and we each agree to consider itself bound and to be bound by any award made by the arbitrators pursuant to this UM endorsement.
11. **Subrogation.** If we make a payment under this UM coverage, we have the right to recover the amount of this payment from any person legally responsible for the bodily injury or loss of the person to whom, or for whose benefit, such payment was made to the extent of the payment. The insured or any person acting on behalf of the insured must do whatever is necessary to transfer this right of recovery to us. Except as permitted by Condition 8, such person shall do nothing to prejudice this right.
12. **Payment of Loss by Company.** We shall pay any amount due under this UM endorsement to the insured or, at our option, to a person authorized by law to receive such payment or to a person legally entitled to recover the damages which the payment represents.
13. **Action Against Company.** No lawsuit shall lie against us unless, as a condition precedent thereto, the insured or the insured's legal representative has first fully complied with all the terms of this UM endorsement.

- 16. Policy Period – Termination.** This UM coverage applies only to accidents which occur on and after the effective date hereof and during the policy period and shall terminate upon (1) termination of the policy of which it forms a part or (2) termination of New York registration on all motor vehicles owned by the named insured or spouse.

New York Supplementary Uninsured/ Underinsured Motorists Coverage Selection/Rejection

Company: Privilege Underwriters Reciprocal Exchange
Applicant/Named Insured: ELAINE D MATTRAZZO

New York law permits you to make certain decisions regarding Uninsured Motorists Coverage and Supplementary Uninsured/Underinsured (SUM) Motorists Coverage. This document describes these coverages and the options available.

You should read this document carefully and contact us or your agent if you have any questions regarding Uninsured Motorists Coverage and Supplementary Uninsured/Underinsured (SUM) Motorists Coverage and your options with respect to these coverages.

This document includes general descriptions of coverage. However, no coverage is provided by this document. You should read your policy and review your Declarations Page(s) and/or Schedule(s) for complete information on the coverages you are provided.

A. Uninsured Motorists Coverage

Uninsured Motorists Coverage provides insurance protection to an insured for damages which the insured or the insured's legal representative is legally entitled to recover from the owner or operator of an uninsured motor vehicle because of bodily injury caused by an automobile accident. Also included are damages due to bodily injury that result from an automobile accident with a hit-and-run vehicle whose owner or operator cannot be identified.

Your motor vehicle liability insurance policy includes Uninsured Motorists Coverage applicable to motor vehicle accidents that occur within the State of New York at limits of at least \$25,000 per person/\$50,000 per accident, unless you elect to purchase Supplementary Uninsured/Underinsured (SUM) Motorists Coverage described below.

B. Supplementary Uninsured/Underinsured Motorists Coverage

For additional protection under your policy, Supplementary Uninsured/Underinsured (SUM) Motorists Coverage is available. SUM Coverage can provide protection at higher limits than are available under Uninsured Motorists Coverage and provides protection with respect to automobile accidents that occur both in and out of New York State.

C. Basics Of SUM Coverage

Supplementary Uninsured/Underinsured (SUM) Motorists Coverage provides additional insurance coverage for bodily injury, including death resulting therefrom, sustained by an insured, as a result of an accident involving a negligent owner or operator of another motor vehicle who:

1. May have no insurance whatsoever; or

New York Supplementary Uninsured/Underinsured Motorists Coverage Selection/Rejection

Page 2

2. Even if insured, is only insured for third party bodily injury coverage at relatively low liability limits, in comparison to the policyholder's own liability limits for bodily injury sustained by third parties.

We shall not offer SUM Coverage in an amount exceeding the third party liability coverage limits purchased by the policyholder. The Policy shall provide coverage for any insured under the Policy for:

1. Bodily injury to such person, up to the limit of the SUM Coverage purchased; and
2. Receive from the policyholder's own insurer payment for bodily injury sustained due to the negligence of the other motor vehicle's owner or operator.

The maximum amount payable under the SUM Coverage shall be the policy's SUM limit reduced and thus offset by any motor vehicle bodily injury liability insurance policy or bond payments received from, or on behalf of, any negligent party involved in the accident.

New York law requires that SUM Coverage shall be equal to the Bodily Injury Liability Coverage limits in your policy, unless rejected or lower limits are selected below.

D. Examples

The following examples using per person limits unless otherwise noted, illustrate the proper application of SUM Coverage:

1. Example One

Insured's Bodily Injury Damages	\$300,000
Insured's Liability Limit	\$500,000
Insured's SUM Limit	\$250,000
Other Motor Vehicle Liability Limit	\$25,000
Note: In this example, the insured has purchased the maximum amount of SUM Coverage that must be offered by the insurer, provided that the insured has purchased bodily injury liability limits of at least \$250,000. Insured recovers \$25,000 from the negligent owner or operator of the other motor vehicle, and \$225,000 (\$250,000 minus \$25,000) under the SUM Coverage, for a total recovery of \$250,000. In the event that the negligent owner or operator of the other motor vehicle had no liability insurance at all, the insured would collect \$250,000 in SUM Coverage from the insured's own insurer. However, if the owner or operator of the other motor vehicle was not negligent, then the insured would receive no SUM payments.	

New York Supplementary Uninsured/Underinsured Motorists Coverage Selection/Rejection

Page 3

2. Example Two

Insured's Bodily Injury Damages	\$100,000
Insured's Liability Limit	\$25,000
Insured's SUM Limit	\$25,000
Other Motor Vehicle Liability Limit	\$25,000
Result: Insured recovers \$25,000 from the negligent owner or operator of the other motor vehicle. The insured receives nothing under the SUM Coverage, which equals the mandatory UM coverage, since the liability limits on the other owner or operator's motor vehicle were not lower than the liability insurance limits on the insured's motor vehicle. If the insured's liability and SUM limits were both \$50,000, then the insured would collect another \$25,000 in SUM Coverage from the insured's own insurer.	

3. Example Three

Insured's Bodily Injury Damages	\$60,000
Insured's Liability Limit	\$100,000
Insured's SUM Limit	\$100,000
Other Motor Vehicle Liability Limit	\$50,000
Result: Insured recovers \$50,000 from the negligent owner or operator of the other motor vehicle and \$10,000 under the SUM Coverage, which is the difference between the amount of the insured's SUM Coverage and the liability coverage available from the other motor vehicle owner or operator, limited by the amount of the insured's bodily injury damages.	

New York Supplementary Uninsured/Underinsured Motorists Coverage Selection/Rejection

Page 4

4. Example Four

Insured's Bodily Injury Damages	\$150,000
Insured's Liability Limit	\$100,000
Insured's SUM Limit	\$100,000
Other Motor Vehicle Liability Limit	\$25,000

Result:

If the insured and the owner or operator of the other motor vehicle were each 50 percent at fault for the accident, then the insured's total recovery would be \$75,000, in light of comparative negligence of the parties involved in the accident. The insured would recover \$25,000 from the negligent owner or operator of the other motor vehicle and \$50,000 under the SUM Coverage.

On the other hand, if the owner or operator of the other motor vehicle was totally at fault for the accident, then the insured would recover \$25,000 from the negligent owner or operator and would then receive \$75,000 in SUM Coverage from the insured's own insurer. Had the insured purchased liability and SUM limits of \$150,000 or more, the SUM recovery would then be \$125,000.

5. Example Five

Insured's Bodily Injury Damages	\$25,000
Passenger's Bodily Injury Damages	\$25,000
Another Passenger's Damages that resulted in death	\$50,000
Insured's Combined Single Liability (CSL) Limit	\$75,000
Insured's CSL SUM Limit	\$75,000
Other Motor Vehicle Liability Limit	Uninsured (i.e. no coverage)

Result:

Since the other motor vehicle was uninsured, the full \$75,000 CSL SUM limit is available for all insured persons from this accident under the Policy. However, since the accident involves insured persons who were both injured and killed, the mandatory UM limits of \$25,000 per person and \$50,000 per accident for injured persons and \$50,000 per person and \$100,000 per accident for persons killed in the accident are available. Therefore, the insured and first passenger each recover \$25,000 and the second passenger's estate recovers the full \$50,000 under the SUM coverage.

If the insured's CSL and CSL SUM limit were each \$300,000 and the insured's damages amounted to \$200,000, then all insured persons would be covered under the SUM coverage as the total damages (\$200,000 + \$25,000 + \$50,000 = \$275,000) are less than the \$300,000 CSL SUM limit.

Single Liability Limit – New York

This endorsement changes the policy. Please read it carefully.

LIABILITY COVERAGE

Part **A** is amended as follows:

- A.** If the limit of liability shown in the Schedule or in the Declarations is equal to or greater than \$160,000, the Limit of Liability provision is replaced by the following:

LIMIT OF LIABILITY

The limit of liability shown in the Schedule or in the Declarations for this coverage is our maximum limit of liability for all damages, resulting from any one auto accident. We will apply the limit of liability to first provide the separate limits required by the laws of New York for:

1. "Bodily injury" not resulting in death of any one person in any one auto accident;
2. "Bodily injury" not resulting in death of two or more people in any one auto accident;
3. "Bodily injury" resulting in death of any one person in any one auto accident;
4. "Bodily injury" resulting in death of two or more people in any one auto accident; and
5. "Property damage" in any one auto accident.

This provision will not change our total limit of liability. This is the most we will pay regardless of the number of:

1. "Insureds";
2. Claims made;
3. Vehicles or premiums shown in the Declarations; or
4. Vehicles involved in the auto accident.

- B.** If the limit of liability shown in the Schedule or in the Declarations is less than \$160,000, the Limit of Liability provision is replaced by the following:

LIMIT OF LIABILITY

The limit of liability shown in the Schedule or in the Declarations for this coverage is our maximum limit of liability for all damages resulting from any one auto accident, except those damages for "bodily injury" resulting in death. We will apply the limit of liability to first provide the separate limits required by the laws of New York for:

1. "Bodily injury" not resulting in death of any one person in any one auto accident;
2. "Bodily injury" not resulting in death of two or more people in any one auto accident; and
3. "Property damage" in any one auto accident.

This provision will not change our total limit of liability.

In addition, our limit of liability for "bodily injury" resulting in death is as follows:

1. Up to \$50,000 for "bodily injury" resulting in death of any one person in any one auto accident; and
2. Up to \$100,000 for "bodily injury" resulting in death of two or more people in any one auto accident, subject to a \$50,000 maximum for any one person.

If the limit of liability shown in the Schedule or in the Declarations is not exhausted by payment of damages for:

Single Liability Limit – New York

Page 2

1. "Bodily injury" not resulting in death; or

2. "Property damage";

any remaining amounts will be used to pay damages for "bodily injury" resulting in death, to the extent the limit of liability shown in the Declarations is not increased.

The amounts provided in this entire provision are the most we will pay regardless of the number of:

1. "Insureds";

2. Claims made;

3. Vehicles or premiums shown in the Schedule or in the Declarations; or

4. Vehicles involved in the auto accident.

First-party benefits, other than death benefits, are payments equal to basic economic loss, reduced by the following:

- (c) Any nonmedical remedial care and treatment rendered in accordance with a religious method of healing recognized by the laws of New York; and
- (d) Any other professional health services.

These medical expenses will not be subject to a time limitation, provided that, within one year after the date of the accident, it is ascertainable that further medical expenses may be sustained as a result of the injury. Payments hereunder for necessary medical expenses shall be subject to the limitations and requirements of Section 5108 of the New York Insurance Law.

- (b) Reasonable and necessary expenses sustained by the eligible injured person in obtaining services in lieu of those which such person would have performed for income.

Other Expenses

Other expenses shall consist of all reasonable and necessary expenses, other than medical expense and work loss, up to \$25 per day for a period of one year from the date of the accident causing injury.

If an eligible injured person or that person's legal representative institutes a proceeding to recover damages for personal injury under section 5104(b) of the New York

Insurance Law, a copy of the summons and complaint or other process served in connection with such action shall be forwarded as soon as practicable to the Company or any of the Company's authorized agents by such eligible injured person or that person's legal representative.

Proof of Claim; Medical, Work Loss, And Other Necessary Expenses. In the case of a claim for health service expenses, the eligible injured person or that person's assignee or representative shall submit written proof of claim to the Company, including full particulars of the nature and extent of the injuries and treatment received and contemplated, as soon as reasonably practicable, but in no event later than 45 days after the date services are rendered. Upon request by the Company, the eligible injured person or that person's assignee or representative shall:

- (a) Execute a written proof of claim under oath;
- (b) As may reasonably be required submit to examinations under oath by any person named by the company and subscribe the same;

Arbitration. In the event any person making a claim for first-party benefits and the Company do not agree regarding any matter relating to the claim, such person shall have the option of submitting such disagreement to arbitration pursuant to procedures promulgated or approved by the Superintendent of Financial Services.

Reimbursement And Trust Agreement. To the extent that the Company pays first-party benefits, the Company is entitled to the proceeds of any settlement or judgment resulting from the exercise of any right of recovery for damages for personal injury under section 5104(b) of the New York Insurance Law. The Company shall have a lien upon any such settlement or judgment to the extent that the Company has paid first-party benefits. An eligible injured person shall:

- (a) Hold in trust, for the benefit of the Company, all rights of recovery which that person shall have for personal injury under Section 5104(b) of the New York Insurance Law;

Page 6

An eligible injured person shall not compromise an action to recover damages brought under Section 5104(b) of the New York Insurance Law except:

- (a) With the written consent of the Company;
- (b) With approval of the court; or
- (c) Where the amount of the settlement exceeds \$50,000.

Other Coverage. Where more than one source of first-party benefits required by article 51 of the New York Insurance Law and article 6 or 8 of the New York Vehicle and Traffic Law is available and applicable to an eligible injured person in any one accident, this Company is liable to an eligible injured person only for an amount equal to the maximum amount that the eligible injured person is entitled to recover under this coverage, divided by the number of available and applicable sources of required first-party benefits. An eligible injured person shall not recover duplicate benefits for the same elements of loss under this coverage or any other mandatory first-party motor vehicle or no-fault motor vehicle insurance coverage issued in compliance with the laws of another state.

If the eligible injured person is entitled to benefits under any such mandatory first-party motor vehicle or no-fault motor vehicle insurance for the same elements of loss under this coverage, this Company shall be liable only for an amount equal to the proportion that the total amount available under this coverage bears to the sum of the amount available under this coverage and the amount available under such other mandatory insurance for the common elements of loss. However, where another state's mandatory first-party or no-fault motor vehicle insurance law provides unlimited coverage available to an eligible injured person for an element of loss under this coverage, the obligation of this Company is to share equally for that element of loss with such other mandatory insurance until the \$50,000, or \$75,000 if Optional Basic Economic Loss (OBEL) coverage is purchased, limit of this coverage is exhausted by the payment of that element of loss and any other elements of loss.

Section II

Section III

Financial Services, the Company may amend this policy and may also recompute the premium for the existing or amended policy.

These amendments and recomputations will be effective retroactively to the date that such Act or any amendment is deemed to be invalid or unenforceable in whole or in part.

Optional Basic Economic Loss Coverage – New York

If the Declarations indicates that Optional Basic Economic Loss coverage is purchased, the Company agrees with the named insured, subject to all of the provisions, exclusions and conditions of the PERSONAL INJURY PROTECTION COVERAGE – NEW YORK endorsement not expressly modified in this Endorsement, as follows:

The definition of Basic Economic Loss contained in the PERSONAL INJURY PROTECTION COVERAGE – NEW YORK endorsement or the PERSONAL INJURY PROTECTION COVERAGE (MOTORCYCLES) – NEW YORK endorsement is replaced by the following:

Basic Economic Loss:

Basic economic loss shall consist of medical expense, work loss, other expense and, when death occurs, a death benefit as herein provided. Except for such death benefit, basic economic loss shall not include any loss sustained on account of death. Basic economic loss of each eligible injured person on account of any single accident shall not exceed \$75,000, the last \$25,000 of which represents optional basic economic loss coverage, payable after the first \$50,000 of basic economic loss has been exhausted, that the eligible injured person or that person's legal representative may specify will be applied to one of the following four options:

- (1) Basic economic loss;
- (2) Loss of earnings from work;
- (3) Psychiatric, physical or occupational therapy and rehabilitation; or
- (4) A combination of options (2) and (3).

Any death benefit hereunder shall be in addition thereto.

Exclusion (c) set forth in the PERSONAL INJURY PROTECTION COVERAGE – NEW YORK endorsement is replaced by the following:

- (c) The named insured or relative while occupying, or while a pedestrian through being struck by, a motor vehicle in New York State, other than the insured motor vehicle, with respect to which the coverage required by the New York Comprehensive Motor Vehicle Insurance Reparations Act is in effect; however, this exclusion does not apply to:
 - (1) The Optional Basic Economic Loss coverage provided under this endorsement, unless OBEL coverage is provided by the policy covering the other motor vehicle; or
 - (2) To personal injury sustained in New York State by the named insured or relative while occupying a bus or school bus, as defined in sections 104 and 142 of the New

Page 2

York Vehicle and Traffic Law, unless that person is the operator, an owner, or an employee of the owner or operator, of such bus or school bus.

Election

Election of the OBEL option shall be made by the eligible injured person or that person's legal representative after such person has incurred expense aggregating \$30,000 in basic economic loss and after receiving the required notices from the Company that an OBEL election may be made. Failure of the eligible injured person or that person's legal representative to respond to the second notice within 15 calendar days after its mailing shall be considered an election by the eligible injured person to apply OBEL coverage to all elements of basic economic loss. Once made by the eligible injured person or that person's legal representative, an OBEL election cannot be changed. However, if claims payable under OBEL coverage have not yet been received by the Company, an eligible injured person who has failed to respond to the second notice in a timely manner may make an election.

Notice

If OBEL coverage is payable under this policy, but Mandatory PIP is being paid under a policy covering another motor vehicle, then the named insured or relative shall notify the Company no later than 90 days after Mandatory PIP benefits under that other policy have been exhausted. The Company shall then send its OBEL election notice.

New York Required Notice Of Availability Of Optional Basic Economic Loss (OBEL) Coverage

Company: Privilege Underwriters Reciprocal Exchange

A coverage known as Optional Basic Economic Loss (OBEL) coverage is available and is being offered to you as an enhancement of the Basic No-Fault coverage you are presently required to purchase. But before we describe this new coverage, we would like to advise you what benefits Basic No-Fault coverage does and does not provide.

No-Fault coverage, otherwise known as Personal Injury Protection or "PIP" coverage, pays for expenses incurred by persons injured in a motor vehicle accident. This coverage does not pay to repair damage to your automobile.

Basic No-Fault, which you are required by law to purchase, provides coverage of up to \$50,000 per person in benefits for:

1. all necessary doctor and hospital bills and other health service expenses, payable in accordance with fee schedules established or adopted by the New York State Insurance Department;
2. 80% of lost earnings up to a maximum monthly payment of \$2,000 for up to three years following the date of accident; and
3. up to \$25 per day for a period of one year from the date of the accident for other reasonable and necessary expenses the injured person may have incurred because of an injury resulting from the accident, such as the cost of hiring a housekeeper or necessary transportation expenses to and from a health service provider.
4. a \$2,000 death benefit, payable to the estate of a covered person, in addition to the \$50,000 coverage for economic loss described above.

No-Fault benefits will be reduced by other benefits that are payable under Workers' Compensation, Social Security Disability, New York State Disability, and certain employer "wage continuation" plans where an employee does not lose any future sick leave benefits.

In addition to the basic No-Fault coverage described, higher limits of up to \$100,000, including payment of up to \$2,000 for loss of earnings and up to \$25 for other reasonable and necessary expenses, are available for purchase upon request.

In addition to Basic No-Fault Coverage, you may now also purchase OBEL coverage that will pay certain expenses, up to \$25,000, above the Basic No-Fault limit of \$50,000. OBEL coverage is different from other coverages in that a claimant can adjust the kinds of benefits to be paid under OBEL.

If you purchase OBEL coverage and if it appears likely that a claimant will use up the Basic No-Fault coverage, your insurer will send the claimant a form for the claimant to choose what expenses the \$25,000 in OBEL coverage will be used to pay. Under No-Fault, a claimant could include you, family members, passengers in your car, or pedestrians, if injured in an auto accident.

The claimant will be able to choose one of the following four OBEL options and thereby direct the insurer to pay expenses for:

1. basic economic loss, whether health care expenses, loss of earnings from work, or other reasonable and necessary expenses;
2. loss of earnings from work;
3. psychiatric, physical or occupational therapy and rehabilitation; or
4. a combination of options 2 and 3.

The additional \$25,000 of OBEL coverage will be used only for costs incurred under the chosen option, which, once selected, the claimant cannot change.

You must let us know now if you wish to purchase OBEL coverage.

If you have any questions, please contact us or agent.

New York Required Notice Of Availability Of Supplemental Spousal Liability Coverage

Company: Privilege Underwriters Reciprocal Exchange
--

New York State law requires that upon written request of an insured, and upon payment of the premium, an insurance company issuing or delivering a policy that satisfies the requirements of Article 6 of the New York Vehicle and Traffic Law shall provide Supplemental Spousal Liability Insurance coverage.

Supplemental Spousal Liability Insurance (SSL) provides bodily injury liability coverage under a motor vehicle insurance policy to cover the liability of an insured spouse because of the death of or injury to his or her spouse, even where the injured spouse must prove the culpable conduct of the insured spouse.

This coverage is included within the policy's bodily injury liability limits and does not increase the amount of those limits. For example:

Insured's bodily injury policy coverage limit: \$100,000 / \$300,000

Insured's bodily injury damage claim paid to spouse: \$75,000

Insured's bodily injury policy coverage limit available to all other claimants subject to a maximum of \$100,000 per person: \$225,000

This example assumes the spouse and other claimants involved in the accident have a right to sue the insured for economic loss or for non-economic loss (i.e., pain and suffering) sustained as a result of a "serious injury" as defined in Section 5102 (d) of the Insurance Law. It must also have been shown that there was negligence on the part of the insured.

The additional premium for SSL coverage is 5% of the single limit liability or split limit bodily injury liability premium listed on your Declarations Page.

New York Policyholder Notice - Motor Vehicle Law Enforcement Fee

A New York Law established a program primarily for the purpose of preventing auto theft.

Under this law all vehicles registered in New York will be required to pay a \$10 motor vehicle law enforcement fee per vehicle annually to support this program.

Insurance companies are required to collect these fees and remit them to the state.

Each year at the anniversary renewal of your policy, or upon the issuance of a new policy, the \$10 motor vehicle law enforcement fee will be added to your bill for each vehicle you have insured with us that is registered in New York.

If you use a payment plan, the fee will be assessed upon your first payment.

If you add a car mid-year and your vehicle is registered in New York, the \$10 fee will be made at that time, then again at your anniversary renewal.

If your insurance should lapse, then be reinstated with a lapse, you will once again be charged the \$10 fee per vehicle.

If your insurance should lapse, then be reinstated without a lapse, there will be no fee.

The fee is imposed on every insured motor vehicle registered pursuant to the provisions in paragraph (b) of subdivision one of section four hundred one of the Vehicle and Traffic Law.

Effective June 1, 2009, the fee was increased from \$5, to \$10.

The money collected for this program will be used by the state and cities for activities related to the detection, prevention and reduction of automobile theft and related activities.

If this program is found to be effective, it could mean a reduction in your automobile insurance rates.

Important Notice To All Motor Vehicle Operators In New York State

As your insurance company, we are required by law to advise you of the legal and financial consequences of being convicted for operating a motor vehicle while under the influence of alcohol or drugs. We strongly endorse the message conveyed by the law, that it doesn't pay to drink and drive.

Alcohol or drug impairment is a major problem involving not only the impaired driver, but other innocent drivers and pedestrians. We are constantly reminded of the serious consequences of drinking and driving, yet property damage, injuries and deaths caused by alcohol or drug-impaired driving continue to be a major problem. In fact, studies (such as those published in "Fatality Facts 2001" by the Insurance Institute for Highway Safety - Highway Loss Data Institute) show that alcohol or drug use is a contributing factor in a significant number of all fatal motor vehicle accidents, as shown in the following table.

Percent of Fatally Injured Passenger Vehicle Drivers (with BAC > or = .10%)

Overall	30%
Nighttime (9 p.m. . 6 a.m.)	54%
Weekends (6 p.m. Friday . 6 a.m. Monday)	42%
Weekdays	21%
Nighttime single-vehicles crashes	64%

New York State has recently passed a law lowering the blood-alcohol content (BAC) necessary to sustain a conviction for driving while intoxicated from .10% to .08%. Data from states that have lowered the BAC from .10% to .08% show that they have experienced significant decreases in alcohol-related fatalities. Reports have also shown that at .08% BAC, there are significant reductions in drivers. performance of critical tasks, such as, braking, steering, and lane changing.

This notice provides information on the penalties for convictions of operating a motor vehicle while under the influence of alcohol or drugs. Be aware that stiffer penalties are levied for convictions of such impairment while operating a commercial vehicle, especially when transporting certain hazardous materials.

Please familiarize yourself, and anyone else who operates your vehicle, with this important information. Please remember: If you drink, don't drive!

BASIC PENALTIES, DEGREE OF IMPAIRMENT AND INSURANCE PENALTIES

When your license is revoked by the Department of Motor Vehicles, you will be required to pay a \$50 fee at the time of reapplication, unless you participate in the New York State Alcohol and Drug Rehabilitation Program, known as the Drinking Driver Program. This fee is non-refundable even if your license application is denied, and is in addition to any fines imposed by the courts.

If you have been drinking or taking drugs and cause a death or serious injury as a result of a traffic accident, you may face felony charges of vehicular manslaughter or vehicular assault. Conviction of such a charge could result in a \$5,000 fine and/or up to seven years in prison.

If you attend the Drinking Driver Program, you must pay an administrative conditional license fee of \$75 and a course tuition fee of up to \$175. In addition, if you are required to obtain an evaluation and/or treatment for alcohol-related problems, you must also pay for these additional services.

If you drive while your license is suspended or revoked for DWI (Driving While Intoxicated), DWAI (Driving While Ability Impaired), or for refusing a chemical test, you face a mandatory jail term of 7 to 180 days, and a mandatory fine of \$500-\$1,000.

If you are under age 21 and charged with DWI or DWAI inside or outside of New York State, and you are convicted or adjudicated (not convicted solely due to youthful offender status granted by the court) of such charges, your license will be revoked for a minimum of one year. If you have two such convictions (or adjudications) and are under age 21, your license will be revoked for a period of one year, or until you become 21, whichever is longer.

If you are age 21 or older and you are convicted of an alcohol-related offense outside of New York State, your license will be revoked in New York State for a minimum period of ninety (90) days for a charge of Driving Under the Influence (DUI). This is in addition to any fines and/or jail sentences imposed by a court in the state in which the incident occurred, or any action against your driving privilege in that state.

HOW MANY DRINKS MAKE YOU LEGALLY INTOXICATED?

In New York State, you are legally intoxicated when your Blood Alcohol Content (BAC) reaches .08%. You are considered to be Driving While Ability Impaired (DWAI) when the BAC is more than .05% but less than .08%.

Any amount of drinking will affect your judgment and coordination. The degree of impairment depends on four basic factors:

- (a) how much you drink;
- (b) how long you drink;
- (c) eating before or during drinking, as food slows absorption of alcohol; and
- (d) your body weight.

A 12-ounce can of beer, 5-ounce glass of wine, or a shot of 86-proof liquor all contain the same amount of alcohol. Your body metabolizes about one drink each hour. Only time will truly sober you up, not coffee, a walk, or a cold shower.

Therefore, if you consume more than one drink per hour, the likelihood is that you are at least DWAI if you weigh around 110 pounds and had 2 drinks, or DWAI if you had 3 drinks and weigh 170 pounds or more. As a rule of thumb for an average 140-160 pound person, BAC level rises .02% per hour per drink.

As an example, a 140-pound person who consumes 5 drinks in a two-hour period will have a .08% BAC (deducting .02% for the passage of time). Even if no more alcohol is consumed, that individual may not safely drive for at least 4 hours. Remember, any elevation in BAC will impair your judgment and coordination.

ALCOHOL/DRUG-RELATED CONVICTIONS AND YOUR AUTOMOBILE INSURANCE POLICY

Suspension or revocation of your driver's license (or the driver's license of any person who normally operates an automobile insured under your policy) is just cause for your insurance company to cancel your automobile insurance policy.

A conviction of driving while impaired or intoxicated through the use of alcohol or drugs will probably result in nonrenewal of your insurance policy, and in your inability to obtain insurance with another company in the voluntary market. You will then find yourself relegated to the New York Automobile Insurance Plan (Assigned Risk Plan), at a substantially higher cost.

Currently, under the Assigned Risk Plan, a conviction of operating a motor vehicle while intoxicated or impaired by the use of alcohol or drugs will result in a 75% surcharge, increasing your automobile insurance premiums for three years. Most automobile insurance companies will also surcharge your premiums substantially for any convictions of operating a motor vehicle while under the influence of alcohol or drugs.

NO-FAULT EXCLUSIONS

Still another reason for not driving in an intoxicated or impaired condition due to drinking or drugs, is that No-Fault benefits will not be available to you if you are injured as a result. Any basic economic loss (medical expenses, wage loss, other necessary expenses, death benefit) attributable to your own bodily injury would be outside of the No-Fault system. If you permit a non-DWI or non-DWAI person to drive your vehicle for you, then full No-Fault benefits will be available to you and all occupants of your vehicle in case of an accident.

Here, then, are the facts:

How do you use Credit or Consumer Reports?

In accordance with applicable federal and state laws, a credit report or other consumer report about you may be used to develop an insurance score. Your insurance score will be used to review your application for insurance and subsequent amendments and renewals. Insurance score information is then used to determine how much we will charge for insurance.
