How do you use Credit or Consumer Reports?

In accordance with applicable federal and state laws, a credit report or other consumer report about you may be used to develop an insurance score. Your insurance score will be used to review your application for insurance and subsequent amendments and renewals. An insurance score uses information from your credit and/or consumer report to help predict how often you are likely to file claims and how expensive those claims will be. Insurance score information is then used to determine how much we will charge for insurance.

Items from a credit report that could affect an insurance score include payment history, number of revolving accounts, number of new accounts, and the presence of collection accounts, bankruptcies and foreclosures. We will use information provided by LexisNexis (formerly ChoicePoint), or an equivalent third party vendor, in connection with the development of your insurance score. You have the right to a free copy of the credit report or consumer report used to develop your insurance score, and you have the right to work with the credit reporting agency that provided it to correct information which may be inaccurate.

What is an extraordinary life circumstance and how might it apply to me?

If an insurance score was used to rate your policy, you have the right to request in writing that we consider extraordinary life circumstance in connection with the use of your insurance score. PURE Programs, LLC is an insurer authorized to do business in certain states that allow insurance score to be used to rate risks for a policy of personal insurance. In those states where permitted, PURE Programs, LLC may, on written request from a consumer, provide exceptions to its rules for a consumer who has experienced, and whose credit information has been directly influenced by, events considered extraordinary circumstances such as; 1. Catastrophic illness or injury; 2. Death of a spouse, child or parent; 3. Divorce; 4. Identity theft; 5. Temporary loss of employment; 6. Military deployment overseas; 7. Total or other loss that makes your home uninhabitable; 8. Other events determined by PURE Programs, LLC.

In the case that we receive an extraordinary life event submission, we may, but are not required to, do any of the following: 1. Require you to provide reasonable written and independently verifiable documentation of the event. 2. Require you to demonstrate that the event had direct and meaningful impact on your credit information. 3. Require that such request be made no more than sixty days after the date of the application for insurance or the policy renewal. 4. Grant an exception despite the fact that you did not provide the initial request for an exception in writing. 5. Grant an exception where you ask for consideration of repeated events or we have considered this event previously. 6. Assign a neutral insurance score.

NOTICE UNDER THE FAIR CREDIT REPORTING ACT (FCRA)

05/12/2024

The purpose of this notice is to share some important information with you regarding your Policy.

We understand that as a good insurance risk you want to be rewarded with lower premiums. We use many factors in determining the price of your insurance, making the rate you pay commensurate with your individual situation.

One of the factors we consider in determining your premium is an insurance score, which is obtained from a consumer report. Due in part to your insurance score your policy did not receive the highest possible discount or your policy premium increased. The primary factors in the consumer report that contributed to your insurance score are:

The consumer report we used to determine your insurance score was provided by a consumer reporting agency. You have the right to obtain a free copy of your consumer report within 60 days of receiving this notice. You also have the right to dispute incomplete or inaccurate information with them.

The consumer reporting agency name and contact information is:

LexisNexis® Consumer Service Center
P. O. Box 105108
Atlanta, Georgia 30348-5108
(800) 456-6004
www.consumerdisclosure.com
Reference Number: 24133004039190

Please note that this consumer reporting agency did not make any decision regarding your policy premium and is therefore unable to answer questions regarding your policy or premium determination.

If, after any reinvestigation of any information disputed by you, an item of the report is found to be inaccurate or incomplete or cannot be verified, the consumer reporting agency must promptly:

- Delete that item of information from your report, or modify that item of information, as appropriate, based on the results of the reinvestigation; and
- Notify the furnisher of that information and you that the information has been modified or deleted from your report

We will then re-underwrite or re-rate your policy and shall make any adjustments necessary consistent with our underwriting and rating guidelines within thirty (30) days of receiving notice from you.

In addition, please also let us know if you feel your consumer report has been adversely influenced by extraordinary life events, including but not limited to catastrophic illness, injury, loss of employment, divorce, death of spouse, child or parent or identity theft. We will review the circumstances as reported by you or your agent and will request and review your consumer report.

If it is determined the extraordinary life event did directly influence your consumer report, your policy will be re-rated without using the insurance score that was based on your consumer report.

If you would like to learn more about how we use insurance score to provide you the best possible price, please contact **PURE Member Services** at **1-888-813-7873**.

The Office of Foreign Assets Control (OFAC) administers and enforces sanctions policy, based on Presidential declarations of "national emergency". OFAC has identified and listed numerous:

- **Terrorists;**
- **Terrorist organizations; and**

Other limitations on the premiums and payments also apply.

Policy Coverages and Limitations Summary For Residential Property Coverages - South Carolina

IMPORTANT INFORMATION REQUIRED BY THE SOUTH CAROLINA DEPARTMENT OF INSURANCE

Policy Coverages and Limitations Summary

THIS NOTICE CONTAINS A SUMMARY OF YOUR COVERAGE AND DOES NOT AMEND, EXTEND, OR ALTER THE COVERAGES OR ANY OTHER PROVISIONS CONTAINED IN YOUR POLICY. THE LANGUAGE IN YOUR POLICY CONTROLS YOUR LEGAL RIGHTS AND OBLIGATIONS. THIS DISCLOSURE IS NOT ADMISSIBLE IN ANY ACTION CONCERNING THIS POLICY EXCEPT FOR THE SOLE PURPOSE OF SHOWING THAT THE NOTICE WAS OR WAS NOT PROVIDED PURSUANT TO SOUTH CAROLINA LAW.

****READ YOUR INSURANCE POLICY FOR COMPLETE POLICY TERMS AND CONDITIONS****

DEDUCTIBLES

A deductible is the amount of money you have to pay out-of-pocket for expenses before your insurance kicks in should you have a covered loss. The deductible applies to coverage for your home and personal property. The deductible applies to each claim.

You may be able to reduce your premium by increasing your deductible. For example, a policy with a \$1,000 deductible will have a lower premium than the same policy with a \$500 deductible. Having a higher deductible can be a good way to save money on your insurance premium, but be sure you can afford to pay the out-of-pocket costs in the event of a covered loss. Your current deductible is listed on your policy Declarations. Contact your agent or insurance company for more information about the deductible options available to you.

In some cases, there may be a separate deductible that applies in case of damage from a specified peril, such as a hurricane. This deductible is specified as a percentage of insured property (Dwelling limit for homeowners and contents limit for unit owners and tenants).

NOTICE: If this Policy includes a separate deductible for covered losses caused by a hurricane; wind/hail; and/or a named storm as defined in the Policy, the following paragraph applies:

Unlike your standard deductible, this separate deductible is based on the home's insured value. So, for example, if your home is insured for \$100,000 (Dwelling limit) and you have a 2% hurricane deductible, then your deductible in the event of a covered loss resulting from a hurricane would be calculated as follows: $\$100,000 \times 2\% = \$2,000$. If you had \$30,000 in covered losses as a result of the hurricane, your claim would be paid as follows:

Total amount of insured losses:	\$30,000
<u>Minus the 2% hurricane deductible</u>	<u>(\$2,000)</u>
Net payment from your insurance company:	\$28,000

Policy Coverages and Limitations Summary For Residential Property Coverages - South Carolina (Cont'd)

Your insurance company is required by law to provide an illustration of how this deductible functions along with a clear explanation of the event that will trigger this deductible. They must also include a statement on the Declarations page notifying you of this separate deductible.

CATASTROPHE SAVINGS ACCOUNTS

Establishing a Catastrophe Savings Account can help you pay for your deductible and other out-of-pocket costs. Similar to health savings accounts, the money can be set aside state income tax-free and used in the future to pay for qualified catastrophe expenses that result from a hurricane, flood, or windstorm event that has been declared an emergency by the Governor. For more information about Catastrophe Savings Accounts, visit the South Carolina Department of Insurance website, www.doi.sc.gov (search for "catastrophe savings accounts"), or call the Department's Office of Consumer Services (1-800-768-3467).

LIMITATIONS OR EXCLUSIONS UNDER THIS POLICY

Flood – Flood damage is not covered under your policy.

The National Flood Insurance Program (NFIP) writes most flood insurance policies, although some private insurance companies also offer this coverage. You may contact the NFIP by calling 1-888-379-9531 or go online to www.floodsmart.gov. If you need more coverage than is available through the NFIP, you may be able to purchase excess flood protection through a private insurance company. For more information, contact your insurance agent, insurance company, or the NFIP. In addition, PURE also offers various flood coverage options to supplement NFIP flood insurance policies. Please contact your agent for details.

Mold – Mold damage is not covered under your policy. However, mold damage that ensues after a covered loss is covered.

Earthquake – Earthquake damage is not covered under your policy.

Many insurance companies offer earthquake insurance as a separate policy or an endorsement to your current policy. For an additional premium, this coverage will protect you in case your home is damaged as a result of an earthquake.

Replacement Cost and Actual Cash Value

You may have the option to insure your home and its contents for either replacement cost or actual cash value. *Actual cash value* is the amount needed to repair or replace the damage minus a deduction for depreciation. *Replacement cost* is the cost to rebuild your home or repair damages using materials of similar kind and quality, without deducting for depreciation. Read your insurance policy carefully for the complete terms and conditions regarding replacement cost coverage.

Please refer to your policy for complete details and information regarding all other limitations and exclusions.

YOUR RESPONSIBILITIES IN THE EVENT OF A CLAIM

Contact Your Agent or Company Immediately – Insurance policies typically place a time limit on the filing of a claim.

Time Limitations May Apply – Once the company knows you've had a claim, they are required to send you any necessary forms (commonly referred to as "proof of loss") within 20 days. These forms detail written proof of what caused the loss as well as the character and extent of the loss for which the claim has been made. Read your policy carefully as it may require you to return the completed forms within a specified amount of time. If you have replacement cost coverage, there may also be time limitations for repairing and replacing damaged property that, if not met, could cause the claim to be settled on an actual cash value basis.

Policy Coverages and Limitations Summary For Residential Property Coverages - South Carolina (Cont'd)

Additional Duties Are Outlined in Your Policy – In the event of a loss, you and your insurance company are each expected to follow certain procedures as outlined in your policy. Your responsibilities include, for example, reporting any crime to the police and making temporary repairs to protect your property from further damage. Your duties after a loss are outlined fully in your insurance policy.

If you have any questions about this Notice or any other matter, please contact your agent or PURE Member Services at 888-813-7873 or memberservices@pureinsurance.com.

Important Flood Insurance Notice

Important information about your policy. Please read it carefully.

Your homeowners or dwelling policy does NOT provide coverage for loss caused by flood or mudslide, which is defined, in part, by the National Flood Insurance Program as:

A general and temporary condition of partial or complete inundation of normally dry land areas from overflow of inland or tidal waters or from the unusual and rapid accumulation or runoff of surface waters from any source.

If you are required by your mortgage lender to have flood insurance on your property, or if you feel that your property is susceptible to flood damage, insurance covering damage from flood is available on most buildings and contents in participating communities through the National Flood Insurance Program.

Information about flood insurance and whether your community participates in the program can be obtained from your insurance company, from your insurance agent/broker, or directly from the **National Flood Insurance Program** by calling 1-888-379-9531 or by going to www.floodsmart.gov.

The action must be brought against **us** within five years after the date of loss. **You** may not bring any action until thirty days after proof of loss has been filed and the amount of loss has been determined.

N. Mediation or Appraisal

If **you** and **we** fail to agree on the amount of loss, either may:

1. Demand mediation of the claim, prior to taking legal action. The request must state:
 - a) Why mediation is being requested; and
 - b) The issues in dispute which are to be mediated.

Only one mediation may be requested for each claim, unless all parties agree to further mediation. A party demanding mediation shall not be entitled to demand or request mediation after a suit is filed relating to the same facts already mediated.

The parties must jointly appoint a mutually acceptable mediator. If the parties are unable to agree upon the appointment of a mediator within seven (7) days after a party has given notice of a demand to mediate the dispute, any party may apply to the JAMS Mediation Service, or such other organization or person agreed to by the parties in writing, for appointment of a mediator.

The mediator will notify the parties of the date, time and place of the mediation conference. This conference will be held within forty-five (45) days of the mediation request. If feasible, the conference may be held by telephone or video conference.

The mediation shall be conducted as an informal process and formal rules of evidence and procedure need not be observed. Participants must:

- a) Have authority to make a binding decision; and
- b) Mediate in good faith.

If the mediator determines that both parties have mediated in good faith, the costs of the mediation shall be shared equally by both parties.

2. Demand an appraisal of the loss. In this event, each party will choose a competent impartial appraiser with no financial interest in the outcome of the decision within twenty (20) days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within fifteen (15) days, **you** or **we** may request that the choice be made by a judge of a court of record in the state where the **residence premises** is located. The appraisers will separately set the amount of the loss. If the appraisers submit a written report of an agreement to **us**, the amount agreed upon will be the amount of the loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will set the amount of the loss.

Each party will:

- a) Pay its own appraiser; and
- b) Bear the other expenses of the appraisal and umpire equally.

If, however, **we** demanded the mediation and either party rejects the mediation results, **you** are not required to submit to, or participate in, any appraisal of the loss as a precondition to action against **us** for failure to pay the loss.
