We insure against all risks of sudden and accidental direct physical loss or damage to your **dwelling, contents** and **other structures** unless an exclusion applies.

B. Coverage and Loss Settlement

1. Dwelling

- a. For a covered loss we will pay the **reconstruction cost** for your **dwelling** up to the coverage limit shown for that location on your Declarations.
- b. However, if the **dwelling** coverage limit shown for that location on your Declarations is not enough pay the full **reconstruction cost**, we will pay any necessary additional cost up to an additional 100% of the coverage limit shown for that location on your Declarations. We will only pay this additional amount if you:
 - (1) Maintain at least the amount of coverage for your **dwelling** as previously agreed to, including any adjustments we make based on appraisals or revaluations; and

(2) Begin to repair or rebuild your **dwelling** within two (2) years from the date of loss.

If a total loss has occurred and:

- (1) The **dwelling** is rebuilt at a new premises; or
- (2) You purchase an existing **dwelling** at a new premises;

we will pay this increased costs if you would have incurred them had you repaired, rebuilt or replaced the **dwelling** at the original premises.

2. Other Structures

- a. For a covered loss we will pay the **reconstruction cost** for your **other structures** up to the coverage limit shown for that location on your Declarations.
- b. However, if the **other structures** coverage limit shown for that location on your Declarations is not enough pay the full **reconstruction cost**, we will pay any necessary additional cost up to an additional 100% of the coverage limit shown for that location on your Declarations. We will only pay this additional amount if:
 - (1) The **other structures** coverage limit shown for that location on your Declarations is at least 20% of the coverage limit for your **dwelling**;
 - (2) You maintain at least the amount of coverage for your **other structures** as previously agreed to, including any adjustments we make based on appraisals or revaluations; and
 - (3) You begin to repair or rebuild your **other structures** within two (2) years from the date of loss.

If a total loss has occurred and:

- (1) The **other structures** are rebuilt at a new premises; or
- (2) You purchase existing **other structures** at a new premises;

we will pay this increased costs if you would have incurred them had you repaired, rebuilt or replaced the **other structures** at the original premises.

3. Dwelling or Other Structures under Construction

If at anytime during the policy period:

- a. You are newly constructing your **dwelling** or **other structures**;
- b. You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and as a result have temporarily vacated the **residence premises**; or
- c. You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and the cost will exceed 10% of the coverage amount for your **dwelling** or **other structures**;

then the most we will pay for a covered loss is the **reconstruction cost** less depreciation, but not to exceed the coverage limit shown on your Declarations. We will pay this amount whether or not you actually repair or rebuild. You must still maintain at least the amount of coverage for your **dwelling** and **other structures** as previously agreed to, including any adjustments we make based on appraisals or revaluations. This will remain the loss settlement provision until all construction is completed, and you and we agree on the amount of coverage for your **dwelling** and **other structures**.

4. Contents

The most we will pay for a covered loss to **contents** is the lesser of the amount required to repair or replace the **contents** without application of depreciation up to the amount of coverage for **contents**. However, if the **contents** are obsolete or unusable as a result of their age or condition, depreciation will be applied.

The amount of coverage for **contents** depends on where the loss occurs. For a covered loss to **contents** that occurs;

- a. At a **residence premises** listed on your Declarations, we will pay up to the coverage limit for **contents** at that location for each covered loss. If after a covered loss to your **dwelling** and **contents** we pay more than the coverage limit for your **dwelling** because the **reconstruction cost** is higher than the insured limit, we will increase the **contents** coverage for the purposes of settling the loss, by the same percentage. This extension of coverage only applies if the **contents** limit on your Declarations is 50% of the **dwelling** limit or greater;

- b. At a residence that an **insured** owns or lives in that is insured under another policy, we will not pay any amount under this policy;
- c. At a residence that an **insured** owns or lives in that is not listed on your Declarations and not insured under another policy, we will pay up to 10% of the highest **contents** limit of any single **residence premises** listed on your Declarations.

This is the most we will pay for any one covered loss regardless of the number of residences involved or number of claims made. We will not make any additional payments for **contents** under any other part of this policy.

However, if this residence has been acquired within the last sixty (60) days before the date of loss, we will pay up to the highest **contents** limit of any single **residence premises** listed on your Declarations; or

- d. Away from any residence that an **insured** owns or lives in, including a **residence premises**, we will pay up to the highest **contents** limit of any single **residence premises** listed on your Declarations.

The limitation in paragraph c. above do not apply if the **contents** were moved from the **residence premises** because it is being repaired, renovated or rebuilt and is not fit to live in or store property in.

5. Deductible

Unless otherwise noted in this policy, the All Other Peril **Deductible** or one of the special **deductibles** shown on your Declarations or by endorsement is the amount of a covered loss you will pay. If more than one **deductible** applies to a covered loss, we will only apply the highest **deductible**.

a. Waiver of Deductible

For a covered loss that is greater than \$50,000, we will waive the All Other Peril **Deductible**. This waiver of **deductible** only applies if the All Other Peril **Deductible** shown on your Declarations is \$25,000 or less.

This waiver of **deductible** does not apply to:

1. Any special **deductible** separately listed on your Declarations. This includes a special deductible for earthquake; and
2. The **Construction Deductible**.

b. Construction Deductible

If at anytime during the policy period:

- (1) You are newly constructing your **dwelling** or **other structures**;
- (2) You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and as a result have temporarily vacated the **residence premises**; or
- (3) You are constructing additions, alterations or renovations to the **dwelling** or **other structures** and the cost will exceed 10% of the coverage amount for your **dwelling** or **other structures**;

then a special construction **deductible** which is the greater of your base **deductible** or 5% of **dwelling** coverage will apply to each covered loss in lieu of a base **deductible**. This special **deductible** applies to your **dwelling**, **other structures**, **contents**, and additional coverages. The dollar amount of this special **deductible** is based on the **dwelling** coverage limit shown on your Declarations for that location at the time of the loss. This special **deductible** does not eliminate any other special **deductibles** that may apply. If we otherwise give our prior written consent, the special construction **deductible** will not apply.

6. Special Coverage Limits for Contents

These limits do not increase the amount of coverage for your **contents**. The special limit shown for each category below is the most we will pay for each covered loss to **contents** in that category.

Important Notice Regarding Flood Insurance

IMPORTANT FLOOD INSURANCE NOTICE

Your homeowners or dwelling policy does NOT provide coverage for loss caused by flood or mudslide, which is defined, in part, by the National Flood Insurance Program as:

A general and temporary condition of partial or complete inundation of normally dry land areas from overflow of inland or tidal waters or from the unusual and rapid accumulation or runoff of surface waters from any source.

If you are required by your mortgage lender to have flood insurance on your property, or if you feel that your property is susceptible to flood damage, insurance covering damage from flood is available on most buildings and contents in participating communities through the National Flood Insurance Program.

Information about flood insurance and whether your community participates in the program can be obtained from your insurance company, from your insurance agent/broker, or directly from the National Flood Insurance Program by calling **1-800-638-6620**.
